DEODORISING DISINFECTANT DETERGENT

 **Readily Biodegradable to AS 4351.2**

 **Phosphate Free**

 **No hard scrubbing**

 **Heavy duty**

Polo Deodorising Disinfectant Detergent is scientifically formulated for effective cleaning of washrooms, toilets, urinals, showers, change rooms, drains, sinks, garbage disposal areas and bar areas.

Included in *Polo DDD* are surface active agents which combine with germicidal additives to effectively clean and deodorise leaving a distinctive lemon fragrance.

Polo DDD removes lime scale, rust and organic deposits from toilet bowls, urinals and sinks.

Polo DDD can be used with warm or cold water on a wide range of surfaces such as tiles, paint, stainless steel, copper pipe, aluminium or porcelain.

Polo DDD is a "3 in 1" product, suitable for deodorising, disinfecting and also as a detergent.
